OUR WEBSITE

ALSHAHINA GENERAL TRADING LLC

ALShahina General Trading LLC was founded on 2015 in Dubai United Arab Emirates to meet our clients' projects supply chain demands. As a One Stop Shop, we offer a wide range of goods and services to a number of local and international clients. It has established itself as a trustworthy trading firm by proficiently handling small or large orders through its honest transparent processes and competitive pricing. With logistic experts on staff, we can integrate the procurement, manufacturing, sourcing, and delivery of cargos to site via a single point of contact. Ensuring a vibrant responsive supply chain which results in our clients and customers success. Committed in our mission to build and maintain long-term relationships with all our present and potential future clients. We will customize our service to add value and integrity to your project, so our clients Get the Job Done.
